

GEP NAMED A WINNER IN HfS BLUEPRINT REPORT ON LEADING PROCUREMENT OUTSOURCING FIRMS

- *Procurement Services and Software Leader GEP Named to Winner's Circle in Annual Report on Procurement Outsourcing Services Providers by HfS, A Leading Outsourcing Research & Analysis Firm*

Clark, New Jersey – August 2, 2013 – GEP, a leading global provider of [procurement software](#) and [procurement services](#) to Fortune 500 and Global 2000 enterprises worldwide, today announced that it has been named to the Winner's Circle in the latest HfS Blueprint Report on Procurement Outsourcing Services.

[The blueprint report](#), prepared by HfS Principal Analyst Brian Dubiel, provides a detailed review of the procurement outsourcing market, underlining the relative strengths and challenges of procurement services providers, and identifies several key trends to consider going forward.

According to HfS, the [procurement outsourcing](#) market, currently sized at about \$3.4 billion, has quickly become one of the fastest growing BPO segments in the market. Indeed, the procurement outsourcing market looks to be the fastest growing BPO service line for the next several years, says HfS, with a projected CAGR of 12.4% over the next 5 years.

"GEP is passionate about procurement," said Subhash Makhija, CEO of GEP. "This recognition from HfS is another tribute to the talent, skill and expertise of GEP's global team of sourcing and procurement professionals."

"The ability of GEP people to delight clients with great customer service, transformational insight, commitment and energy, and most importantly, outstanding results, has helped GEP grow into one of the industry's most honored and recognized global leaders."
