

GEP (Global eProcure) supports relief efforts in Japan

Clark, NJ – April 7, 2011

The tragic events in Japan have touched us profoundly and our thoughts are with the people of Japan. Ongoing earthquake and tsunami relief operations call for aid on an epic scale. GEP is committed to supporting these efforts. GEP employees and management raised \$10,000 and UNICEF provided a matching gift of an additional \$10,000. Our contribution to the US Fund for UNICEF (USF) will help children in Japan impacted by the recent devastation. Our customers and visitors to the GEP website can also show their support by donating directly to UNICEF by clicking on www.unicefusa.org.
