
Global eProcure Positioned as a ‘Challenger’ in Leading Analyst Firm’s Magic Quadrant for Strategic Sourcing Application Suites

CLARK, NJ, April 21, 2010

Global eProcure has been placed in the Challengers Quadrant of Gartner’s Magic Quadrant for Strategic Sourcing Application Suites 2010. The evaluation criteria for inclusion in this report were based on their ability to execute and their completeness of vision.

“We are very proud to get positioned in Gartner’s Magic Quadrant Report”, says Subhash Makhija, CEO and Co-founder, Global eProcure. “We believe our unified suite, which is one of our main strengths, has been identified as the key factor for this selection. It is very encouraging that our constant effort towards enhancing our product offering along with our business consulting services has been recognized in a report that is so highly regarded in the industry.”

About Gartner, Inc., Magic Quadrant

Gartner, Inc., Magic Quadrant for Strategic Sourcing Application Suites, Deborah R. Wilson, February 23, 2010.

The Magic Quadrant is copyrighted 2010 by Gartner, Inc. and is reused with permission. The Magic Quadrant is a graphical representation of a marketplace at and for a specific time period. It depicts Gartner’s analysis of how certain vendors measure against criteria for that marketplace, as defined by Gartner. Gartner does not endorse any vendor, product or service depicted in the Magic Quadrant, and does not advise technology users to select only those vendors placed in the "Leaders" quadrant. The Magic Quadrant is intended solely as a research tool, and is not meant to be a specific guide to action. Gartner disclaims all warranties, express or implied, with respect to this research, including any warranties of merchantability or fitness for a particular purpose.
