

SMART by **GEP**[®]

**THE WORD
ON GEP**

PEOPLE ARE TALKING ABOUT GEP

“ A global consulting powerhouse to watch

“ A hot technology innovator with game-changing products

“ An industry leader in procurement and supply chain management services

WHICH IS IT?

GEP is all these things and more. Savvy global executives – looking for either a new partner-provider that gets extraordinary results or an opportunity to grow a spectacular and truly satisfying career – are getting to know GEP better. We invite you to do the same.

“The future looks rather bright for GEP, especially when we consider how much the clients we speak to seem to love working with them.”
– CPO Rising / Ardent Partners

Leader – ALM Vanguard for Procurement Operations Consulting

“Specializing in procurement, GEP offers a strong suite of capabilities for its clients centered on robust transformation with a big focus on organizational design, process optimization, and zero-based budgeting. The firm possesses deep insights into procurement operations space and its thoughtful analysis and application of trends for client capabilities resonates well.”

– ALM Intelligence

Leader – ALM Vanguard of Supply Chain Risk Management Consulting

Source: Supply Chain Risk Management Consulting, ALM Intelligence

“GEP combines supply chain acumen with deep knowledge of industry-specific procurement practices and suppliers, reflecting its strong sourcing and procurement heritage. This places GEP in a unique position to help clients balance opportunity with risk as they evaluate, rationalize, and optimize their supplier ecosystems.”

– ALM Intelligence

Leader – Forrester Wave for eProcurement

“The product name, SMART by GEP sums up its approach: using software to help customers’ employees make better, faster buying decisions. GEP is a good option for large multinationals that want intelligent procurement software for both upstream and downstream, in a single, cost-effective solution.”

– Forrester Research

Leader – IDC MarketScape Worldwide SaaS and Cloud-Enabled Procurement Applications Vendor Assessment

“Consider GEP when you are a large global organization with complex procurement processes, requiring a simple and flexible toolset simplifying the business process.”

– IDC

Leader – Spend Matters eProcurement SolutionMap

"For procurement organizations today, GEP represents a proverbial Swiss Army knife that can accelerate a procurement transformation with a global technology platform and services capability that sit under one roof."

– Spend Matters

Winner's Circle – HfS Procurement As-a-Service Blueprint

“GEP is at the leading edge of Procurement As-a-Service innovation. Strong execution and managed services provide clients with high value now. And its transformational capabilities and expertise make GEP a collaborative partner to guide clients in the digital procurement transformation journey, with cloud-based digital procurement platform SMART by GEP and emerging technologies such as robotic process automation, artificial intelligence, and blockchain.”

– HfS Research

Leader & Star Performer – Everest Group PEAK Matrix for Procurement Outsourcing

"GEP is a star performer. It has seen continued strong growth in both clients and capabilities, including expanded operations in Asia and Europe. Client interviews reveal strong levels of satisfaction, especially around solution implementation and relationship management."

– Everest Group

Leader – NelsonHall NEAT Evaluation

“GEP's consulting background has enabled it to develop expert capabilities in strategic sourcing and category management, allowing it to focus on relationship building and change management. GEP has developed a multi-shore model ... and is a global leader in procurement transformation, sourcing and procurement BPO.”

– NelsonHall

PROCUREMENT LEADERS LOVE GEP

“GEP is an awesome company that supports us around the globe ... they’ve got tremendous capabilities. My recommendation is – if you don’t know or if you don’t have enough people to get the stuff you want – go to GEP.”

– **Global Chief Procurement Officer, Kellogg**

“We wanted a procurement technology partner who could evolve with us. Someone who is not just a procurement services expert but also offers a complete set of procurement tools. That’s why we partnered with GEP.”

– **Chief Procurement Executive, Kemper Corporation**

“GEP has been our partner in the procurement transformation journey, helping us accelerate toward best-in-class. The key success factor for me is that GEP has the ability to operate like somebody wearing our name badge, like an extension of our organization.”

– **Head of Sourcing and Procurement, Dentsply**
