

**THE WORD
ON GEP**

PEOPLE ARE TALKING ABOUT GEP

“ A global consulting
powerhouse to watch

“ A hot technology innovator
with game-changing products

“ An industry leader in procurement and
supply chain management services

WHICH IS IT?

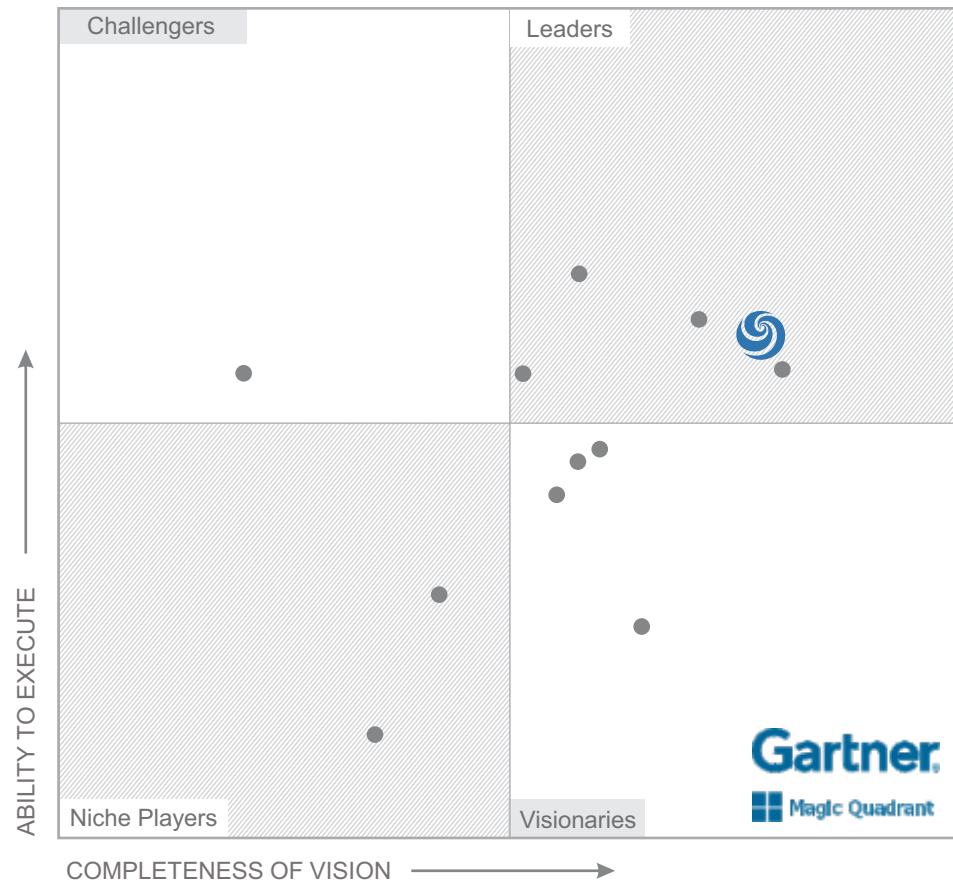

GEP is all these things and more. Savvy global executives – looking for either a new partner-provider that gets extraordinary results or an opportunity to grow a spectacular and truly satisfying career – are getting to know GEP better. We invite you to do the same.

"With a strong vision for the future of procurement, paired with deep procurement knowledge and capabilities, and a comprehensive procurement software platform, GEP delivers transformational procurement value to clients across the world." – **HfS Research**

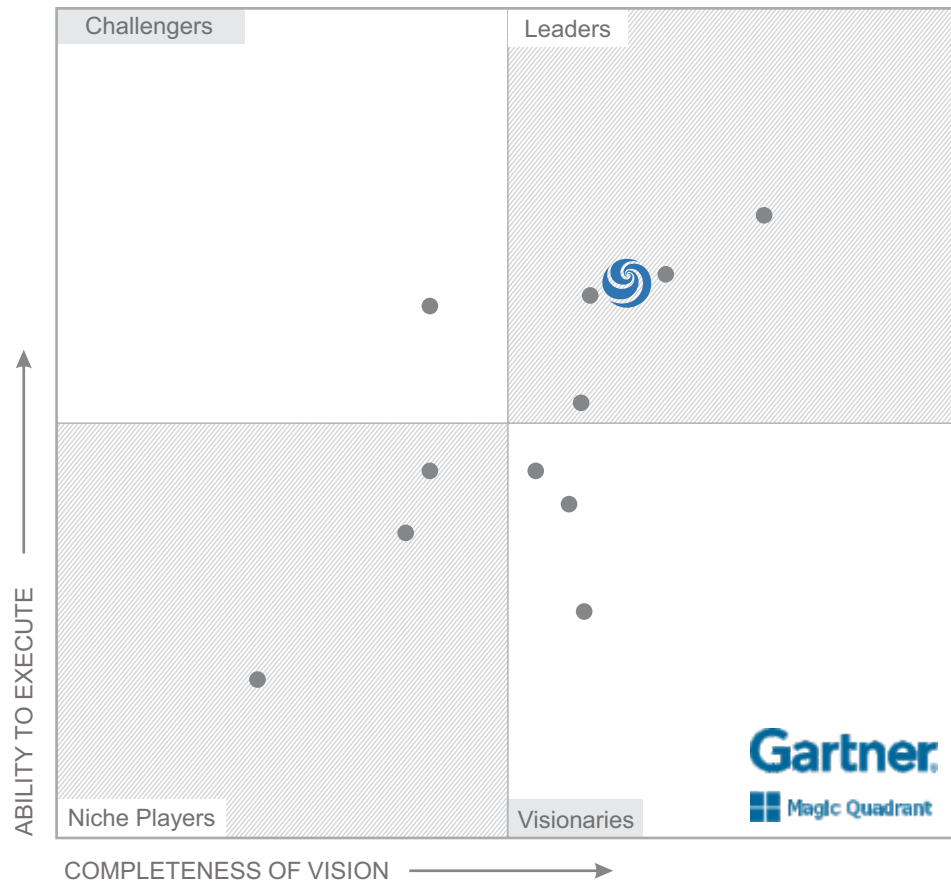

Leader – Gartner Magic Quadrant for Strategic Sourcing Application Suites

"GEP has won a number of large complex clients, showing a willingness to work with clients to meet their requirements. Several references highlight ease of use as one of the key strengths of the GEP strategic sourcing solution suite. Customer references score GEP highly for overall service and support in general, and technical support in particular." – **Gartner, Inc.**

Leader – Gartner Magic Quadrant for Procure-To-Pay Suites

“GEP received the highest feedback scores of any vendor in areas like technical support, account management, and overall service and support. Several reference customers identified ease of use as one of GEP's key strengths ... it also has the highest average feedback score for ease of use. GEP is a good choice for organizations seeking a fully integrated S2S solution.” – **Gartner, Inc.**

Leader – Forrester Wave for eProcurement

"The product name, GEP SMART™ sums up its approach: using software to help customers make better, faster buying decisions. GEP is a good option for large multinationals that want intelligent procurement software for both upstream and downstream, in a single, cost-effective solution." – **Forrester Research**

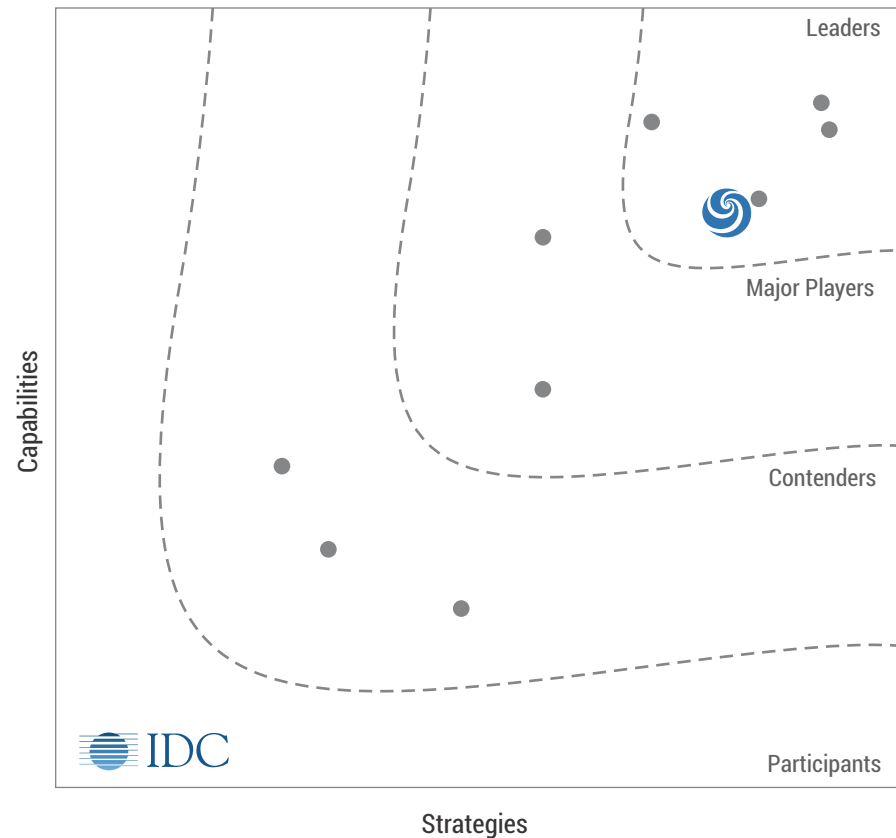

Leader – IDC MarketScape Worldwide SaaS and Cloud-Enabled Procurement Applications Vendor Assessment

"Consider GEP when you are a large global organization with complex procurement processes, requiring a simple and flexible toolset to simplify the business process." – **IDC**

Leader – IDC MarketScape Worldwide SaaS and Cloud-Enabled Supplier Relationship Management Applications Vendor Assessment

"GEP SMART™ in its entirety is the ultimate Supplier Relationship Management (SRM) system because it does not separate supplier information and performance intelligence from the activity, contractual status, and commercial relationship of the supplier ... By unifying source-to-contract processes with procure-to-pay workflows, GEP SMART eliminates the biggest barriers to procurement success and savings delivery, namely the disconnect between the strategic procurement activity and the day-to-day purchasing activity." – **IDC**

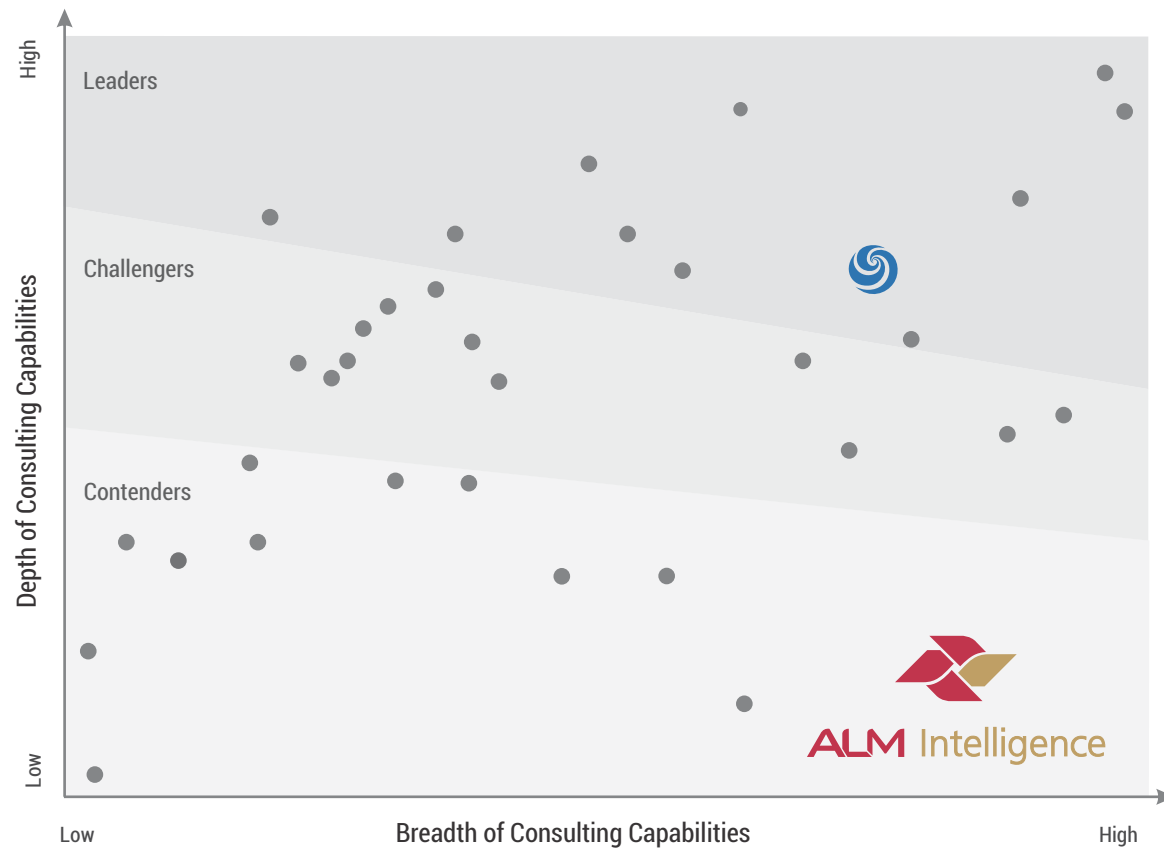

Leader – Spend Matters eProcurement SolutionMap

"For procurement organizations today, GEP represents a proverbial Swiss Army knife that can accelerate a procurement transformation with a global technology platform and services capability that sit under one roof." – **Spend Matters**

Leader – ALM Vanguard for Procurement Operations Consulting

“Specializing in procurement, GEP offers a strong suite of capabilities for its clients centered on robust transformation with a big focus on organizational design, process optimization, and zero-based budgeting. The firm possesses deep insights into procurement operations and its thoughtful analysis and application of trends for client capabilities resonates well.” – **ALM Intelligence**

Leader – ALM Vanguard of Supply Chain Risk Management Consulting

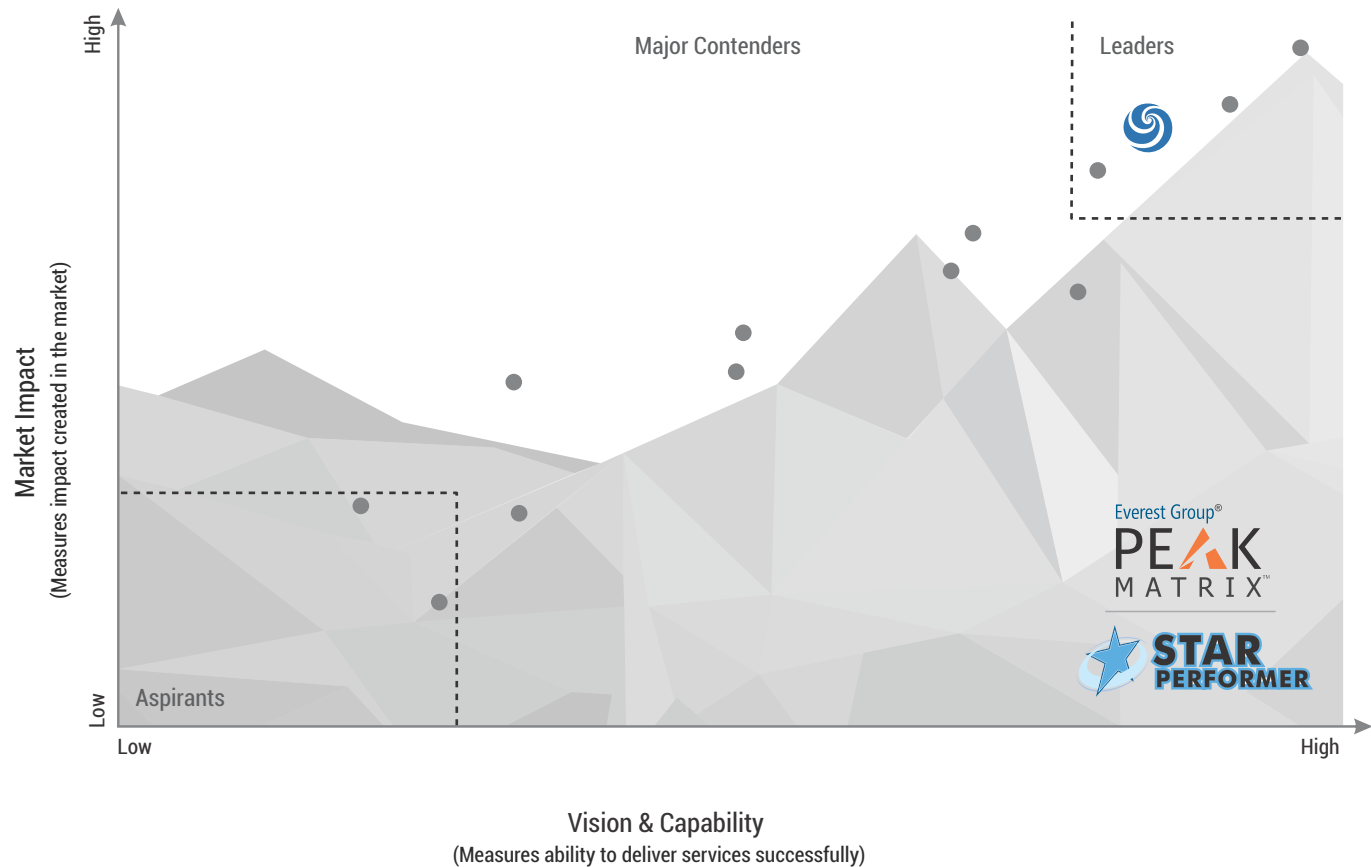

Source: Supply Chain Risk Management Consulting, ALM Intelligence

"GEP combines supply chain acumen with deep knowledge of industry-specific procurement practices and suppliers, reflecting its strong sourcing and procurement heritage. This places GEP in a unique position to help clients balance opportunity with risk as they evaluate, rationalize, and optimize their supplier ecosystems." – **ALM Intelligence**

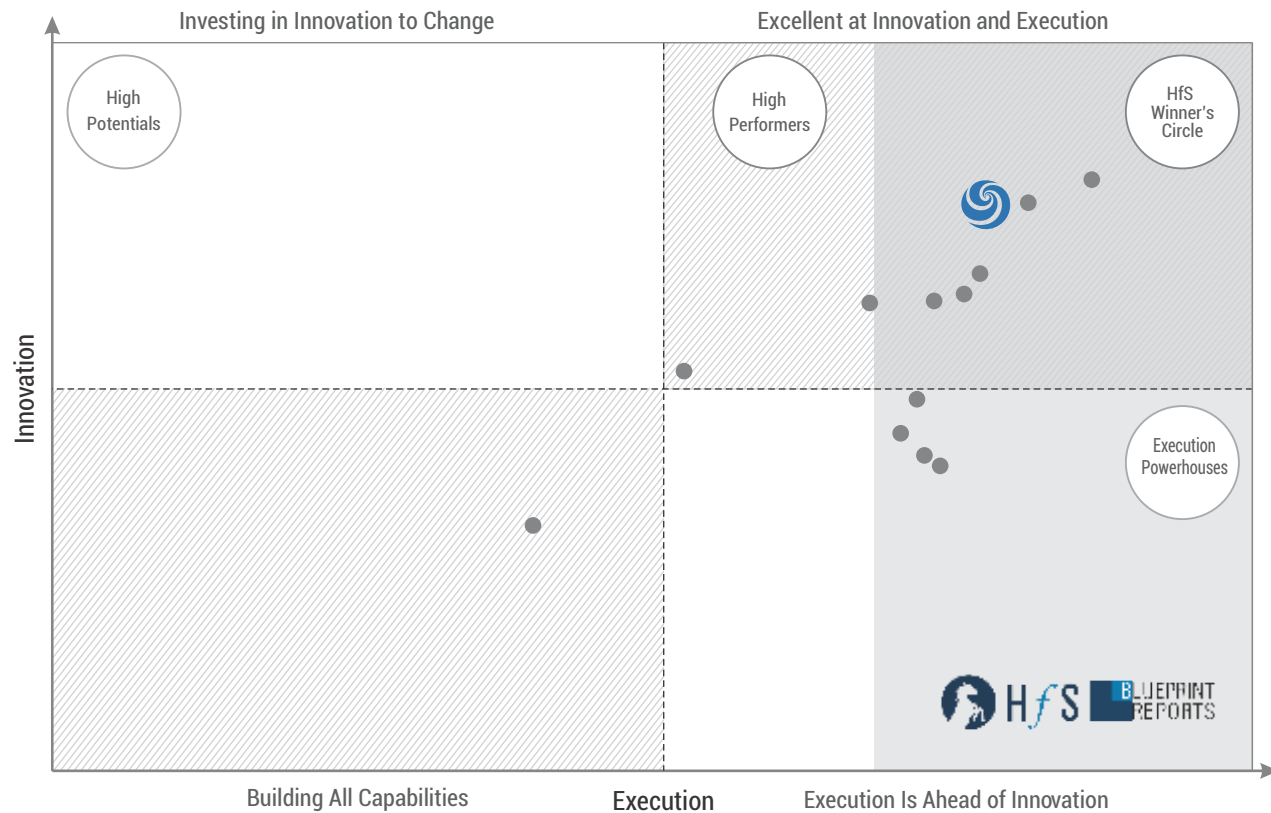

Leader & Star Performer – Everest Group PEAK Matrix for Procurement Outsourcing

"GEP is a star performer. It has seen continued strong growth in both clients and capabilities, including expanded operations in Asia and Europe. Client interviews reveal strong levels of satisfaction, especially around solution implementation and relationship management." – **Everest Group**

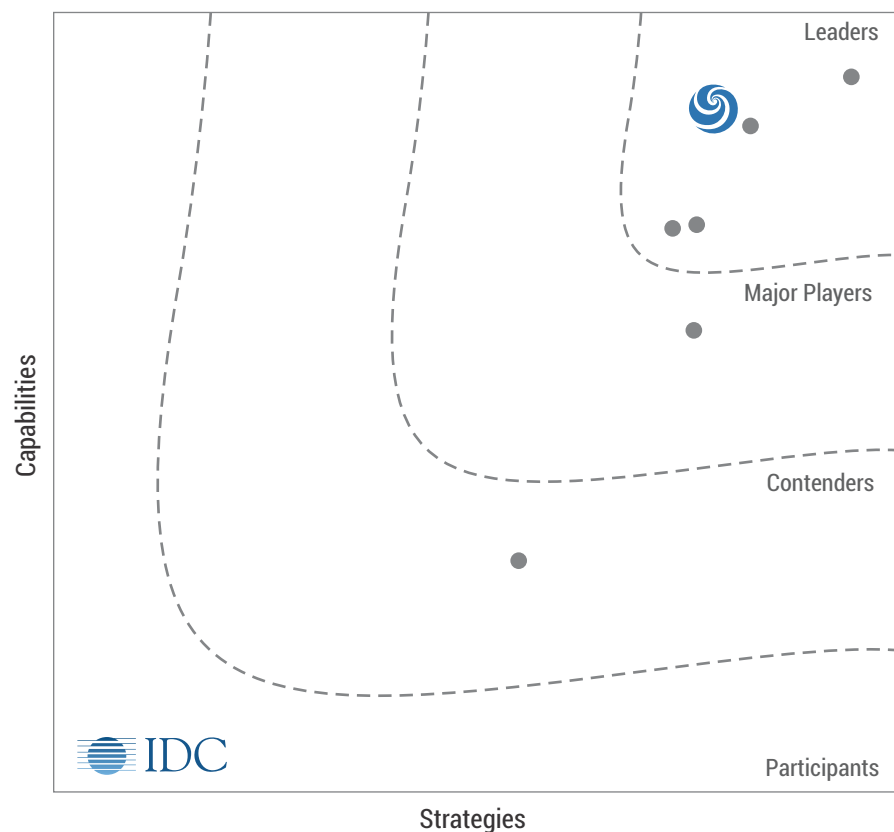

Winner's Circle – HfS Procurement As-a-Service Blueprint

"GEP is at the leading edge of Procurement As-a-Service innovation. Strong execution and managed services provide clients with high value now. And its transformational capabilities and expertise make GEP a collaborative partner to guide clients in the digital procurement transformation journey, with cloud-based digital procurement platform GEP SMART™ and emerging technologies such as robotic process automation, artificial intelligence, and blockchain." – **HfS Research**

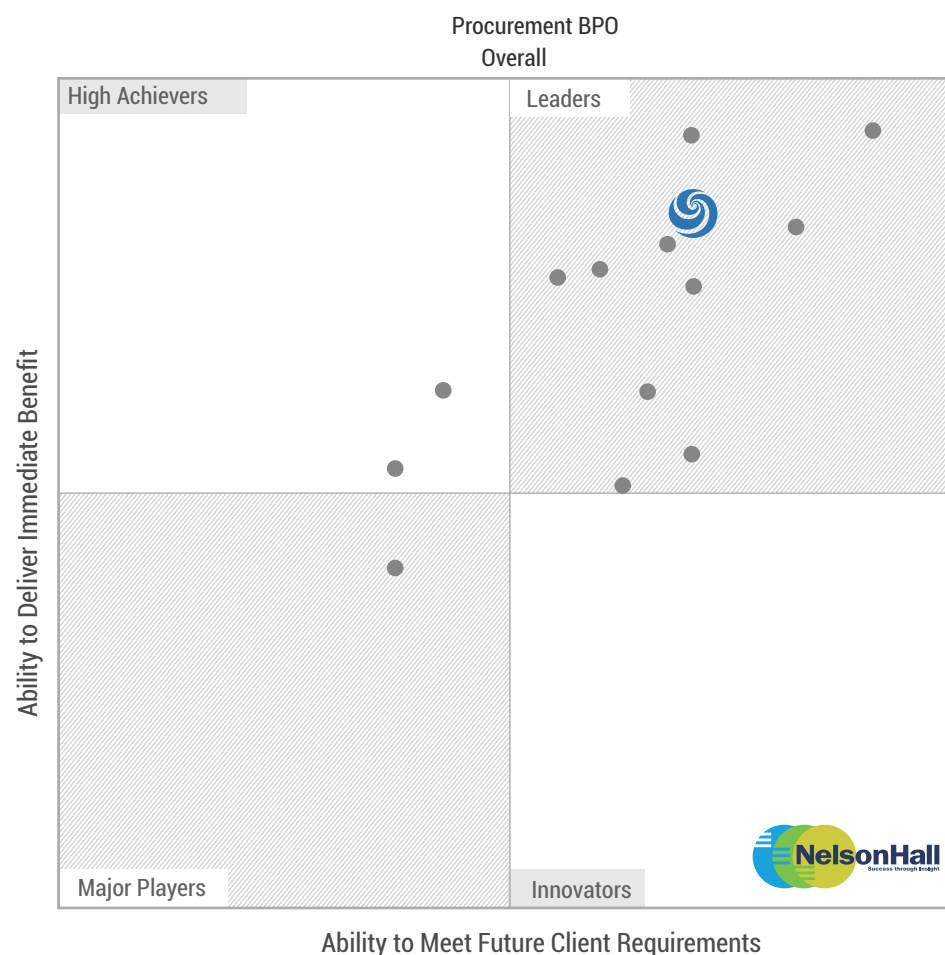

Leader – IDC MarketScape Worldwide Procurement As-a-Service Vendor Assessment

"GEP has significant experience in providing data analytics services focused on category performance as clients leverage their research and analytics capabilities to support their category managers on negotiating better deals, effectively collaborating with business stakeholders and managing key supplier relationships." – IDC

Leader – NelsonHall NEAT Evaluation

"GEP's consulting background has enabled it to develop expert capabilities in strategic sourcing and category management, allowing it to focus on relationship building and change management. GEP has developed a multi-shore model ... and is a global leader in procurement transformation, sourcing and procurement BPO."

– **NelsonHall**

PROCUREMENT LEADERS LOVE GEP

“GEP is an awesome company that supports us around the globe ... they’ve got tremendous capabilities. My recommendation is — if you don’t know or if you don’t have enough people to get the stuff you want — go to GEP.”

– **Global Chief Procurement Officer, Kellogg's**

“We believe GEP SMART™ is the right procurement platform for Chevron, aligned with our goal of improving the user experience for the procurement of goods and services across the company.”

– **Chief Procurement Officer, Chevron**

“Prudential is continually looking to drive out more efficiency and apply best practices in managing our suppliers and procurement activities. GEP mirrored our requirements most closely in a highly competitive selection process. We look forward to working together as we embark on transforming our procurement operating model.”

– **Director of Procurement and Supply Chain, Prudential**

PROCUREMENT LEADERS LOVE GEP

"We wanted a procurement technology partner who could evolve with us. Someone who is not just a procurement services expert but also offers a complete set of procurement tools. That's why we partnered with GEP."

– **Chief Procurement Executive, Kemper Corporation**

"GEP has been our partner in the procurement transformation journey, helping us accelerate toward best-in-class. The key success factor for me is that GEP has the ability to operate like somebody wearing our name badge, like an extension of our organization."

– **Head of Sourcing and Procurement, Dentsply**

"Digitizing key business processes is a strategic priority for ATG globally. After an extensive evaluation process, our team selected GEP as the best solution and implementation partner to drive procure-to-order efficiencies across our global operations."

– **Senior Director, Apex Tool Group**

GEP helps global enterprises operate more efficiently and effectively, gain competitive advantage, boost profitability, and maximize business and shareholder value.

Fresh thinking, innovative products, unrivaled domain and subject expertise, and smart, passionate people — this is how GEP creates and delivers unified supply chain solutions of unprecedented scale, power and effectiveness.

Named a Leader in Gartner Magic Quadrants, Winner for Best Procurement Software and Best P2P Provider at the World Procurement Awards, Best Procurement Consultancy at CIPS Supply Management Awards, and Best Provider at the EPIC Procurement Excellence Awards, GEP is frequently honored as an innovator and leader in source-to-pay direct and indirect procurement software by Gartner, Forrester, IDC, Procurement Leaders, Spend Matters and CPO Rising.

GEP is also ranked leader in managed procurement services (procurement outsourcing) by Everest Group, NelsonHall, IDC, ISG, HfS and IAOP. In addition, the primary research firm in the management consulting sector, ALM Intelligence, ranks GEP leader in procurement strategy and supply chain consulting.

With 21 offices and operations centers in Europe, Asia and the Americas, Clark, New Jersey-based GEP helps enterprises worldwide realize their strategic, operational and financial objectives. To learn more about our comprehensive range of software and services, please visit www.gep.com.

GEP SMART is an AI-powered, cloud-native software for direct and indirect procurement that offers comprehensive source-to-pay functionality in one user-friendly platform, inclusive of spend analysis, sourcing, contract management, supplier management, procure-to-pay, savings project management and savings tracking, invoicing and other related functionalities.

GEP NEXXE is a unified and comprehensive supply chain platform that provides end-to-end planning, visibility, execution and collaboration capabilities for today's complex, global supply chains.

Built on a foundation of big data, artificial intelligence and machine learning, GEP NEXXE is next-generation software that helps enterprises make supply chain a competitive advantage.
