

Texas DIR Contract No. DIR-CPO-4724 - Pricing for GEP SMART software

NB Ventures, Inc. Offers GEP SMART Through Texas DIR Contract No. DIR-CPO-4724

This document details the pricing for GEP SMART Unified Source-to-Pay Software as it applies to Texas DIR Contract No. DIR-CPO-4724

This pricing is derived from the agreement between GEP and Texas DIR and is intended to illustrate the cost of annual subscription and/or implementation and/or additional service for specific configurations of GEP SMART software. While this pricing is intended to be accurate for those items listed, it is not exhaustive and does not constitute a quote or offer by GEP for a specific product or service. For detailed quotes, please contact GEP.

Texas DIR Contract No. DIR-CPO-4724 - Pricing for GEP SMART software

GEP SMART Product/Service Description	MSRP	Price per	Texas DIR Discount
SPEND ANALYTICS - Implementation Service for all spend tiers - All Spend Tiers - Professional Service - Implementation	\$ 15,000.00	One time	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$150 M - Professional Service - Data Migration	\$ 15,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$250 M - Professional Service - Data Migration	\$ 15,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$500 M - Professional Service - Data Migration	\$ 15,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$750 M - Professional Service - Data Migration	\$ 15,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$1 B - Professional Service - Data Migration	\$ 15,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$2 B - Professional Service - Data Migration	\$ 20,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$3 B - Professional Service - Data Migration	\$ 20,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$5 B - Professional Service - Data Migration	\$ 25,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$7.5 B - Professional Service - Data Migration	\$ 30,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$10 B - Professional Service - Data Migration	\$ 35,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$20 B - Professional Service - Data Migration	\$ 50,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$30 B - Professional Service - Data Migration	\$ 65,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$40 B - Professional Service - Data Migration	\$ 80,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Up to \$50 B - Professional Service - Data Migration	\$ 95,000.00	per historical year of data	25.00%
SPEND ANALYTICS - Data Migration Service - Enterprise (\$50-75 B+ / Up to 50 Mill transactions) - Professional Service - Data Migration	\$ 110,000.00	per historical year of data	25.00%

Texas DIR Contract No. DIR-CPO-4724 - Pricing for GEP SMART software

GEP SMART Product/Service Description	MSRP	Price per	Texas DIR Discount
SPEND ANALYTICS - Data Migration Service - Enterprise (\$75 B+ / unlimited transactions) - Professional Service - Data Migration	\$ 125,000.00	per historical year of data	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$150 M annual spend - Professional Service - Data Processing	\$ 68,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$250 M annual spend - Professional Service - Data Processing	\$ 78,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$500 M annual spend - Professional Service - Data Processing	\$ 89,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$750 M annual spend - Professional Service - Data Processing	\$ 102,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$1 B annual spend - Professional Service - Data Processing	\$ 117,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$2 B annual spend - Professional Service - Data Processing	\$ 137,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$3 B annual spend - Professional Service - Data Processing	\$ 157,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$5 B annual spend - Professional Service - Data Processing	\$ 183,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$7.5 B annual spend - Professional Service - Data Processing	\$ 209,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$10 B annual spend - Professional Service - Data Processing	\$ 239,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$20 B annual spend - Professional Service - Data Processing	\$ 304,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$30 B annual spend - Professional Service - Data Processing	\$ 369,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$40 B annual spend - Professional Service - Data Processing	\$ 434,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Up to \$50 B annual spend - Professional Service - Data Processing	\$ 499,000.00	Annually	25.00%
SPEND ANALYTICS - AI-Based Data Processing (One yearly refresh) - Enterprise \$50-75 B+ / Up to 50 M transactions - Professional Service - Data Processing	\$ 599,000.00	Annually	25.00%
