WEBINAR: SMART PO POLICY – IMPROVE COMPLIANCE PROCESS AND GO GREEN

Global eProcure Offers Insider's View to Best Practices

CLARK, NJ— September 7, 2010 – Compliance to preferred vendors and contracts remains an area of concern for large companies who continue to focus on ways to manage indirect spend including the use of strategic sourcing programs.

In response, Global eProcure - dedicated to helping enterprises reduce costs and operate more efficiently by refining and perfecting procurement and supply chain practices – will offer a free, educational webinar titled Smart PO Policy - Improve Compliance Process and Go Green on Thursday, September 16, 1-2PM (EST).

WHAT: Smart PO Policy – Improve Compliance Process and Go Green

Compliance to preferred vendors and contracts remains an area of concern for large companies; enterprises continue to look for new ways to manage indirect spend including the use of strategic sourcing programs. In response to this issue Global eProcure will offer an insider's view to best practices used to address this situation.

Join us and learn how to:

- - Improve governance for indirect purchases
- - Enhance compliance by enacting a 'Smart PO Policy'
- - Reap the benefits of this policy which mandates the use of appropriate buying channels
- - Identify process and automation improvements to enhance compliance
