- **GEP's client, a market-leading medical device manufacturer, honored recently at the Annual CPO Rising Summit for results delivered by cloud-native SMART by GEP procurement platform**

Clark, NJ – December 29, 2017 – GEP, a leading provider of procurement software and procurement services to Fortune 500 and Global 2000 enterprises worldwide, announced today that a SMART by GEP customer, a leading global medical device manufacturer, won the Procurement Technology Excellence Award at the Annual CPO Rising Summit for its deployment and use of the SMART by GEP procurement software platform to impact procurement operations and overall performance.

For more details, visit the CPO Rising website at www.cporising.com.

SMART by GEP is a unified source-to-pay software platform that leverages cloud economics to deliver a solution that easily handles the heaviest processing requirements of GEP's Fortune 500 and Global 2000 clients, while eliminating burdensome infrastructure and support costs.

SMART by GEP is easy to set up, deploy and use, with no extensive training required. All GEP products are platform-agnostic (they work with SAP, Oracle or any other major ERP or F&A system). And with superb support and service, GEP is an industry leader in customer satisfaction.

SMART by GEP provides complete source-to-pay functionality in one user-friendly, cloud-native platform, inclusive of spend analysis, sourcing, contract management, supplier management, procure-to-pay, savings project management and savings tracking, invoicing and other related functionalities. The award-winning, SaaS-based S2P platform is native to touch and mobile technologies, enabling users to work anywhere, any time on any device.
