

LEADING U.S. COMMERCIAL CONSTRUCTION COMPANY McCARTHY HOLDINGS INC. SELECTS GEP SMART SOFTWARE TO TRANSFORM AND UNIFY PROCUREMENT

- **McCarthy chooses GEP’s unified procurement platform to support elements of their source-to-pay process, including sourcing, contracting and supplier management**

Clark, N.J., Sept. 9, 2021 — GEP®, a leading provider of procurement software and services to Fortune 500 and Global 2000 enterprises worldwide, announced today that [McCarthy Holdings Inc.](#), a top U.S. commercial construction company, selected [GEP SMART™](#), the industry’s premier procurement software platform, to support elements of their source-to-pay (S2P) process.

Headquartered in St. Louis, with offices and more than 150 job sites across the U.S., McCarthy chose GEP SOFTWARE™ to support its transformation of procurement and manage elements of their source-to-pay process. This includes a full range of functions encompassing spend analytics, sourcing, and category, contract, invoice and supplier management, as well as purchase-to-pay. GEP’s partner, [RiseNow](#), is providing project oversight and best practices for McCarthy to supplement its team and drive adoption across both the company and suppliers.

“At a time when every construction company is actively managing price inflation and volatility, we selected GEP to help transform, automate and streamline our procurement function, strengthen our partnership with suppliers, and deliver greater value to customers,” said Steve Adams, McCarthy vice president, technology services.

GEP SMART is a unified, cloud-native source-to-pay platform, built on a data-centric foundation with AI at its core and user-first design. GEP SMART enables Fortune 500 and Global 2000 clients to drive optimum efficiency, agility, visibility and actionable intelligence into all procurement and purchasing functions, while eliminating burdensome infrastructure and support costs to achieve maximum ROI.
