
Global eProcure earned recognition in the 2010 Supply Chain Executive Magazine 100 Listing

Global eProcure scoops award for the 5th time, for providing cutting-edge solutions and services in Supply Chain Practices

CLARK, NJ, May 17, 2010

Global eProcure has been recognized as part of the 2010 Supply & Demand Chain Executive 100, "*Supply Chain: Back to Basics and Beyond - In Search of the Roots of Supply Chain Excellence.*" The 2010 Supply & Demand Chain Executive 100 acknowledges supply chain solutions and service providers who assist their customers and clients in achieving supply chain excellence, and prepare their supply chains for the post-recessionary return to growth. This is the fifth year that Global eProcure has been acclaimed and listed in the Supply and Demand Chain Executive Magazines 100.

Jagadish Turimella, COO Global eProcure, remarked, "Our presence in the 2010 Supply and Demand Chain Executive 100, speaks about our commitment to continuously provide advanced solutions and best practices to our customers, and excel within the areas of supply chains."

About Supply & Demand Chain Executive (<http://www.SDCExec.com>)

Supply & Demand Chain Executive is the executive's user manual for successful supply and demand chain transformation, utilizing hard-hitting analysis, viewpoints and unbiased case studies to steer executives and supply management professionals through the complicated, yet critical, world of supply and demand chain enablement to gain competitive advantage.

About Global eProcure (<http://www.globaleprocure.com>)

Global eProcure is a procurement services firm dedicated to helping enterprises reduce their costs and operate more efficiently by refining and perfecting their procurement and supply chain practices. Their clients are Global 2000 companies in a variety of industries, who call on them for procurement expertise in consumer packaged goods, travel and hospitality, pharmaceutical, chemicals, renewable energy, utilities, oil and gas, government, industrial manufacturing, insurance, and other verticals. Global eProcure supports their clients with a blend of strategic consulting and implementation, outsourcing services, as well as commercial, off-the-shelf procurement tools and technology solutions.
